

Saskatoon Music Festival

Supplementary classes to the 2022-2024 Saskatchewan Music Festival Association Syllabus

A Note on Eligibility

Performers, teachers and parents/caregivers are responsible for obtaining all pertinent local addenda and provincial and multi-provincial syllabi, and for familiarizing themselves with rules, regulations and requirements.

Saskatoon Music Festival (Local)

For participation in the Local Festival, you may enter from the local addendum classes and the SMFA syllabus. Competitors may not enter more than one class bearing the same title in any one District Festival (see page 9 of the current syllabus for examples and clarifications).

Saskatchewan Music Festival (Provincial)

In order to be eligible to compete at the SMFA Provincial Festival, you must enter appropriate provincial classes. Please reference Provincial section of current syllabus to see feeder classes for the provincial festival. A grade of 88 or higher must be received at the local festival, and an adjudicator's recommendation is necessary as well. Please note that no local classes feed to provincials – the class title must have a (P) at the end designating it as a provincial feeder class.

Canada West Performing Arts Festival

Participation at the CWPAF is gained through an affiliated local festival in a participating province. Please refer to the Canada West section of the current syllabus to see all feeder classes, and page 6 of the syllabus for more information on the competition.

Non-Competitive Classes

New in 2022, non-competitive classes are being offered at all levels of the local festival. Please reference the Non-Competitive section of the current syllabus to see all of the classes offered, and find more information on the masterclass learning experiences which are highlighted on page 21 of the syllabus.

Kinsmen Club of Saskatoon Competition & Scholarships Regulations

Semifinal Competition:

1. Application to participate in the semifinal competition for these scholarships is to be made during the regular entry window.
2. Application to participate for a scholarship may be made by a student who has entered in at least two Senior Open, Grade A or Grade B classes within the same discipline in the Saskatoon Music Festival. This does not include 17 and under or 18 and under classes, or Canada West Excellence classes.
3. When a student wins the first-place award in any discipline, they are not permitted to enter the semifinal competition for that discipline in subsequent years (although they are allowed to enter in the semifinal competitions for other disciplines if desired). If a student wins a runner-up scholarship in a discipline one year, they may continue to enter that discipline's semifinal competition in subsequent years.
4. The adjudicator shall have the liberty of requesting the participation of any performer in the voice, piano, strings, instruments, or musical theatre semifinal competition, provided that they meet the eligibility criteria outlined in points 2 and 3.
5. In the semifinal competition, the entrant must perform any selection they have performed in a senior class in the current year's festival. Memory work is mandatory.
6. In each of the semifinal competitions for all five disciplines (voice, piano, strings, instruments, musical theatre), the respective adjudicators will select two final competitors to advance to the final competition.

Final Competition

7. In the final competition, each finalist must perform a program of 15 minutes or less. All repertoire is to be selected from pieces entered in the current year's festival. Memory work is mandatory.
8. The final competition will be judged by a panel of adjudicators. Each first-place scholarship is to be awarded, upon recommendation of the adjudicators, to the competitor who gives the most outstanding performance in the final competition of each discipline (voice, piano, strings, instruments, musical theatre). There will be scholarships for the runners-up in each discipline.
9. Scholarship money is to be used for the continuance of the student's musical studies.

Please note: The number of eligible senior competitors entered in each discipline may affect the number of competitors eligible to participate in the final evening of the Kinsmen competition. This decision will be reviewed every year by the scholarship committee at the time of programming to best represent and support the senior students at the Saskatoon Music Festival.

Class 02100 Walter Thiessen (2015) Class \$50.00

A \$300 scholarship has been set up to support and celebrate piano students at the Grade 10 level, awarded at the discretion of the adjudicator. This class is unique in that a competitor is eligible to win the scholarship without entering other classes, and the competitor may use repertoire from the previous year's festival. New selections prepared for the Thiessen class may also be entered in other festival classes. The Thiessen class may not be counted as one of two classes necessary to be eligible for additional Saskatoon Music Festival scholarships, or advancement to Provincial competition. The competitor must prepare works representing three different eras, (eg. Baroque, Classical, Romantic, Impressionist, Modern). For the Classical Sonata the number of movements will be left to the discretion of the competitor. The Thiessen program must last a minimum of ten minutes and a maximum of twenty minutes. A competitor may win this award only once.

JAZZ BAND CLASSES

School Jazz Band classes provide a category for extra-curricular jazz bands only within the school system. This being done primarily to avoid unfair competition between schools that offer extra-curricular jazz and highly organized schools offering jazz studies courses. Schools may have a separate jazz band and jazz study course, but in order to enter these classes the extra-curricular jazz band may not contain any members of the jazz studies course. Jazz combos comprised of members of a Jazz Studies course may enter in classes 08225-08229.
